***Public Meetings
Park Planning Session***

The Rock Island Parks & Recreation Department announces two public planning sessions to be held to discuss design options for **Old Chicago Park** (on 9th Street east of the Martin Luther King Jr. Center) and **Douglas Park**. The project architect and Parks staff will display two design options for each of the two parks. Audience participants will be asked to provide feedback, including the identification of the features that they like, and make suggestions on activities they would like to see at the parks. Based upon comments and suggestions from the meetings, a finalized design will be developed, taking into account the cost effectiveness of the features, participation models, and local activity uses. Meetings will take place:
Monday, June 1st at 6 p.m. at the Martin Luther King Jr. Center
Tuesday, June 2nd at 6 p.m. at the Hauberg Civic Center
Call 309-732-7275 for more information.
