Railroad Crossing Repairs at Ridgewood Road and Andalusia Road

In order for Iowa Interstate Railroad to repair a defective rail in the railroad crossing south of the intersection of Ridgewood Road and Andalusia Road, it will be necessary to close Ridgewood Road to traffic at the railroad crossing. Ridgewood Road will be closed to traffic for a portion of Thursday, June 18 (about 9:00 am to 4:00 pm) and then from Tuesday, June 23 to Thursday, June 25.

Traffic will be detoured around this railroad crossing using the Rock Island-Milan Parkway and/or US67 to Andalusia Road. All residences and local businesses can be accessed during the repairs from the Rock Island-Milan Parkway.

The City of Rock Island is sorry for any inconvenience due to this road closure and appreciates the patience and consideration of the traveling public.
