

# Artspace Rock Island Artist Survey

## Arts Advisory Committee

2/3/09

Calling all artists!

Artspace Projects (a national nonprofit arts organization and developer) is partnering with the City of Rock Island to study the space needs of artists in the Quad Cities and neighboring region.

A survey to determine artists' needs is now available at [www.artspacerockisland.org](http://www.artspacerockisland.org). The survey is online February 3 – March 30, 2009.

Responses will help us determine artists' interest in a potential affordable artist live/work development in Rock Island, design a better facility, and assess artists' housing and workplace/studio needs. The online survey takes about ten minutes to complete.

In February 2008, Artspace conducted a two-day, prefeasibility visit and evaluated the potential for such a project to succeed. The findings were positive and we are now on to the next step of conducting an in-depth survey of artists' space needs. To download a copy of the study click [here](#).
