

# Family Fun Day

## Martin Luther King Center

July 16, 2009

The Martin Luther King Community Center welcomes you to its Annual Family Fun Day on Saturday, August 1, from 10:00 a.m. to 4:00 p.m. There will be a parade, merchant and food vendors, talent show, informational booth, children games, and music from D.J. Swift of Swift Jamz.

The Parade will kick-off at 10:30 a.m. on the corner of Frances Willard School, 25th Avenue and 9th Street, and proceed to Martin Luther King Center, 630 – 9th Street, and 7th Avenue.

Once on the King Center grounds, the celebration will include vendors selling “fried catfish, tacos, hotdogs, cheese & nacho chips, barbeque ribs, brats, etc.” Families will also enjoy inflatable rides, music, scholarship announcements, and other activities.

Finally, an opportunity to give back to that in need, the Mississippi Valley Regional Blood Center will provide their service with a blood drive starting at 10:30 a.m. to 3:00 p.m. The Mississippi Valley Regional Blood Center reminds the community that you may donate if you have not done so in the last 56 days (or in the last 112 days if your last donation was a double-red cell donation).

This is a community event provided for families and residents to help strengthen our neighborhoods, and support our youth.

For more information, contact the Martin Luther King Center at 732-2999.
