

ROCK ISLAND  
ILLINOIS

MEMORANDUM  
Police Department

**TO:** John Gripp, City Manager

**Number:** 22-09

**SUBJECT:** S2 Controller System Rebuild

**Date:** 3/9/22

---

The Police Department recently received a quote from Midwest Alarm Services to rebuild the S2 controller system, which maintains the functionality of the following systems within the police department: door/gate card readers, card access systems, duress alarms, and electronic door release mechanisms. The current S2 system is partially operational at this time, however some essential functions within the system are not. An inspection of the system was completed and it was determined the system cannot be repaired, but needs to be completely rebuilt. This system is vital to the day to day operations of the Police Department and effects the entire building. This is an unforeseen expense and Midwest Alarm Services is the sole S2 Controller vendor in the area. There is a sufficient fund balance in the Federal Drug Prevention Fund to cover this expense.

**Recommendation**

The Police Department recommends that the City Council approve the quote from Midwest Alarm Services to rebuild the S2 Controller system in the amount of \$15,750.00.

Vendor: Midwest Alarm Systems  
Payment Amount: \$15,750.00

Fund:	243	Federal Drug Prevention
Department:	415	Tactical Operations
Cost Center:	216	Narcotics/Vice
Object Code:	53822	Operating S/C Next

  
**SUBMITTED BY:** Richard T. Landi  
Interim Chief of Police
