

**Memorandum
Public Works Department**

To: City Manager
Subject: 2022 Street Joint & Crack Sealing Program, Project 2376
Date: December 12, 2022
Number: 2022-232

The Public Works Department has been contacted by Denler, Inc. in regards to extending their contract for the 2022 Street Joint and Crack Sealing Program through 2023. The work performed by Denler, Inc. on this project was of exceptional quality and at favorable unit prices. Denler, Inc. was the lowest responsible bidder of three for the 2022 program.

Engineering typically sees a yearly increase in labor costs of at least 3% and material costs of 2% for our maintenance programs. This anticipated rise in labor and construction material prices would likely increase the program's unit prices over last year. The program is funded for \$50,000 in 2023.

Recommendation:

It is recommended that the City Council extend the 2022 Street Joint & Crack Sealing Program maintenance contract with Denler, Inc., Joliet, IL, in order to perform the required maintenance through 2023.

Vendor: Denler, Inc., Joliet, IL
Contract Amount: \$50,000
Accounts Chargeable:

Fund:	101	General Fund
Department:	616	Municipal Services
Cost Center:	301	Street Maintenance
Object Code:	53805	Street/Lot S/C
Project:	2376	2023 Street Joint and Crack Sealing Program
