

Report

To: City Manager, Mayor and City Council
From: Daniel Gleason, Rock Island Parks & Recreation
Subject: Red White and Boom!
Date: March 7, 2023

Background:

The Red, White and Boom Event which is spearheaded by Downtown Davenport, has provided fireworks over the Mississippi River. Rock Island Parks and Recreation Staff have attended their meetings with the intent of coordinating activities between the two sides of the River. The Committee has agreed to set July 3rd as the continual date for the fireworks, with July 4th being reserved in case of rain. The Flood date for the event is in September.

Event:

The event has grown on the Rock Island side to include music, kid's inflatables, food booths, a beer garden plus much more. The Crowd has expanded from a couple of thousand to approximately 20,000 or more in the park and along the levy. This has required us to close 1st Avenue to provide a safe crossing and hire security staff to monitor drinking and fireworks in the park.

Set up for the event begins the day before in the park, and continues through most of the morning on the 3rd of July. The park officially opens at 5:00 p.m. and entertainment runs until 9:30 when the fireworks are to be displayed.

Our rain date is set for July 4th. The activities would be somewhat diminished as most of our vendors are booked for other locations on the 4th of July. The Flood date is the 4th weekend in September.

Recommendation:

Staff requests approval of closing 1st Avenue from 17th Street to 20th Street on July 3, or the 4th if storms impact the event starting at 10:00am-11:59pm. Staff also recommends the closing of 1st Avenue between 17th and 20th Street in September if flooding impacts the traditional July 3rd or 4th events.

Included is the resolution to be passed for the Department of Transportation.
