The Rock Island City Council met in Study Session at 5:00 p.m. in the Personnel Conference Room of Rock Island City Hall. Present were Mayor Dennis E. Pauley, presiding, and Aldermen, David Conroy, Stephen L. Tollenaer, Jason W. Jones, Joy Murphy and Charles O. Austin III. Also present were City Manager John Phillips, Community and Economic Development Director Greg Champagne, Special Projects Manager Sally Heffernan, Public Works Director Bob Hawes, Administrative Services Director John Thorson, Renaissance Rock Island President Brian Hollenback and other City staff. Alderman Terry M.A. Brooks I and Alderman P.J. Foley were absent.

NEIGHBORHOOD STABILIZATION PROGRAM UPDATE

City Manager John Phillips inquired upon Renaissance Rock Island President Brian Hollenback to update Council on the Neighborhood Stabilization Program and the marketing plan for housing.

Mr. Hollenback commented on Renaissance Rock Island’s annual report and noted that it has been a very good year for this partnership in which a strong foundation has been laid for moving forward into 2011. Mr. Hollenback discussed GROWTH’s 2011 goals. Mr. Hollenback advised that as a direct investment into the neighborhoods for 2011, it is just under $13 million dollars. Mr. Hollenback noted that they will be bringing on line an additional 105 units with $12.6 million dollars as a pass through. Mr. Hollenback advised that they currently own 23 homes and are in negotiations with two (2) others and 17 are under construction. Mr. Hollenback explained that GROWTH serves approximately 160 households not only through the Homebuyers Program but within the existing homeowners with the owner occupied rehab and then those that are worked with within foreclosure prevention. Mr. Hollenback commented that 70 units will be rehabilitated.

Mr. Hollenback indicated that GROWTH has a pilot program pending in which 25% of the sale proceeds from the sale of the properties will be able to come back to GROWTH for reinvestment. It was noted that it is similar to NSP, but GROWTH will acquire the property, prepare it and then put it back on the market.

Mr. Hollenback then discussed DARI’s 2011 goals. Mr. Hollenback explained that DARI’s goals for 2011 include; implementing the Economic Development Strategic Plan in partnership with the city of Rock Island; continue to focus on job creation and attract a variety of diverse businesses with special focus on the Downtown and Hilltop Campus areas; lease and/or sell the remaining McKesson commercial units; and facilitate and complete a successful capital campaign.

Mr. Hollenback then discussed NSP marketing efforts. It was noted that recently a billboard was installed along 1st Avenue stating: Homes Within Your Reach starting at $434.00 a month. Mr. Hollenback stated that a contract was just signed for a monthly publication in the Quad City Homes Real Estate catalog. It was noted that this also ties in with the 1st Army marketing efforts.

Mr. Hollenback discussed marketing efforts as it related to McKesson Lofts. It was noted that a Request for Proposal is out for the marketing of McKesson Lofts. Mr. Hollenback stated that part
of the marketing effort is walking through virtual tours, which is underway. Mr. Hollenback stated that they are also updating the website and taking advantage of the social media. It was noted that an eight (8) page newspaper insert specific to GROWTH and NSP programs will be advertised in the Dispatch/Argus and will be coming out in March. Mr. Hollenback discussed the NSP marketing and advertising budget and gave an update on Jackson Square.

DEMONSTRATION ON SITE AND BUILDING INVENTORY

City Manager Phillips inquired upon Community and Economic Development Director Greg Champagne and Special Projects Manager Sally Heffernan to demonstrate the data base system LOIS for sites and buildings.

Ms. Heffernan advised that the data base system is identified as LOIS, which stands for Location One Information System. Ms. Heffernan stated that this is a listing of sites, buildings and demographic information for Rock Island and the Quad Cities as a whole. It was noted that LOIS is the largest and most used search data base for site selectors in the country. Ms. Heffernan commented that there are 18 states including Illinois that bought into it. It was noted that 6,500 communities have sites and buildings listed on this site. Ms. Heffernan explained that LOIS was created by the economic development community to help fill a void. It was noted that the data base allows for a one-on-one comparison in a consistent format as it relates to sites and buildings.

Ms. Heffernan stated that it is time consuming and it is important to keep the information up to date in the system. Ms. Heffernan indicated that the City has 76 buildings and approximately 18 vacant sites (land parcels) in LOIS.

Ms. Heffernan then demonstrated how to navigate through the system. It was noted that the three (3) main components of the system are the presentation site, administration site and user site. Ms. Heffernan stated that the address for LOIS is www.location.com. It was noted that the City is linked to the City site and Live RI website. It was noted that LOIS is a great on-line economic development site selection tool.

Mr. Champagne commented that information on the LOIS site states that 95% of site selectors begin on the internet. Mr. Champagne stated that the site selectors that they have talked to begin their initial screening by looking on LOIS for sites.

Council discussed the LOIS system.

Agenda Item #7
Presentation by the Advanced Technology Sustainability Consortium.

Mr. Kevin Koski, Chair of the ATSC stepped forward. Mr. Koski stated that members of Rock Island’s Advanced Technology and Sustainability Consortium (ATSC) established the Mark W. Schwiebert Sustainability Leadership Award in April of 2009. Mr. Koski advised that it was created to honor former Mayor Schwiebert for his 20 years of service to Rock Island and for his work in the area of sustainable initiatives. It was noted that this special award would be given annually to a business, organization or individual that has demonstrated outstanding leadership in the area of green or sustainable initiatives. The first award was presented to Mark Schwiebert at the January 2010 City Council meeting.

Mr. Koski noted that the actual award was created from a green material. It was developed from a small piece of steel beam taken from the Armory demolition site. Mr. Koski indicated that Valley Construction y provided a 10” x 6” section of beam and also created an attractive wooden base to hold the heavy piece. It was noted that the base was designed with space for names of future award recipients. Mr. Koski added that the award is now kept in the City Hall trophy case with a smaller award to be presented to the recipient as a reminder of the acknowledgement.

Mr. Koski stated that seven (7) nominations were received for the 2010 award and of the seven, three (3) were nominations for Augustana College. Mr. Koski provided highlights from the nominations. Mr. Koski then presented Augustana College President Steve Bahls with the award.

Mr. Bahls thanked the City and members of the selection committee for the award. Mr. Bahls stated that these recent efforts were student led and thanked the students of Augustana College for their sustainability efforts.

Mayor Pauley congratulated Augustana College for all of their efforts.

Agenda Item #25
**Items from the City Manager’s Memorandum Packet.**

City Manager Phillips inquired upon Finance Accounting Supervisor Linda Johnson to review the December 2010 Management Report.

Ms. Johnson stated that in the General Fund, the benchmark for revenues and expenditures is 75%. It was noted that in the General Fund, revenue is reported on target at 77% and expenditures are below target at 66%. Ms. Johnson advised that the tax revenue is projected to exceed budget by approximately $500,000.00. It was noted that this is primarily due to the Replacement Tax. It was noted that in the Gaming Fund, expenditures are on target at 75% and revenue is at 82%. Ms. Johnson commented that in Parks and Public Works, revenue is above budget for most funds due to the recording of bond proceeds from the 2010A and 2010B bond issues. It was noted that Parks, Water and Wastewater expenses are below budget and
Stormwater and Sunset Marina revenues and expenses are on target. Ms. Johnson indicated that Motor Fuel Tax revenues and expenses are both above target at approximately 90%.

Mr. Phillips made reference to information included in the memo packet regarding Schwiebert Park project expenditures. Mr. Phillips advised that the project was very well managed and it is anticipated having a balance available in bond proceeds of approximately $1.2 million dollars. Mr. Phillips stated that this is a positive result.

Alderwoman Murphy reminded everyone to Shop Rock Island. Alderwoman Murphy stated that Roe Aquarium and Pet Company is located at 4422 11th Street. It was noted that this family owned business has been in existence for approximately 30 years. Alderwoman Murphy advised that Roe Aquarium and Pet Company’s main focus is freshwater tropical fish, aquariums and supplies. It was noted that they have a great assortment of various small animals including hamsters, gerbils and birds. In addition, they sell reptile and pond supplies. Alderwoman Murphy stated that Roe Aquarium and Pet Company is open Tuesday through Friday from 10:00 a.m. to 6:00 p.m., Saturdays from 10:00 a.m. to 5:00 p.m. and closed on Sundays and Mondays.

Agenda Item #26
